

Subject: Bhaisaheb, please help with my loan troubles

Tasleemat Bhaisaheb,

I thank Khuda Taala and Maula TUS so much for the decisions given through Sigatul Qaza. But Bhaisaheb, Im still in big trouble with bank loans, and I really need your help to fix this.

My Problem

Even after all the decisions, Im stuck with many business loans. Ive sold everything I had, but the banks keep troubling me and my family. I dont know how to get out of this. I sent an email about this before, but I didnt get any help.

The banks are now calling my sons friends who are not from our community. This is very embarrassing and hurts my son a lot. Im very scared and feel lost. Like I said, I gave up everything, but Im still not free, and Im so afraid.

Loan Details

As Taher Bhaisaheb Husamuddin told me, I got the loan details from the banks. Heres what I owe:

Bank Name	Amount I Owe (INR)	Date of Statement
HDFC Bank Business Loan	5,74,001.21	11/12/2024
Mintifi Finserve Business Loan	26,37,423.00	16/12/2024
Mintifi Finserve 2nd Loan Account	7,05,242.72	16/12/2024
Deutsche Bank Business Loan	17,27,791.00	19/12/2024

Theres also an ICICI Bank loan, but I dont have any information about it, and thats making things harder.

What I Need

Bhaisaheb, please guide me. I dont know what to do. I want:

1. A way to talk to the banks and stop their troubling calls.
2. There is a settlement happening where our assets are sold to pay other debtors. I kindly request if a portion of that asset sale can be used to settle these bank loans. It would help me a lot.
3. Something to keep my son and family safe from this trouble.

My Request

I trust you, Bhaisaheb. Please show me how to fix this. I will follow whatever you say with Maulas blessings. I just want to be free from these problems.

Thank you,
Farida ben Sidhpurwala
